### Description

**Cote Azur Hyeres** is a Woody Floral Musk fragrance for men.

This fragrance is a metaphor for materials, a matrix that speaks of territory as well as matter, earth, and roots

The eau de toilette is a vertical structure built around woody notes. The roots anchor the fragrance while the resins embrace it.

The Pure perfume is a new density which underscores the woody and mineral facets. The vivacity and sparkle of citrus scents enhanced by a note of shiso.
